European Road Parcel shipping rates

Prices GBP	Zone				
Weight	1	2	3	4	5
SURCHARGE	10.00				
From		25.00	30.00	30.00	60.00

Due to continual increases in charges from suppliers, many surcharges and the majority of carriers charging volumetric rates we can no longer use a fixed weight tariff. We will always seek the most cost effective shipping methods.

One or more packages will be charged based on dimensional weight, if it exceeds the actual weight

per kg thereafter	1.25	2.30	2.50	2.70	3.20
-------------------	------	------	------	------	------

Inclusive of fuel surcharges- * subject to regional surcharges
 Effective 27th November 2025 - subject to change without notice
 Shipments less than 250 GBP in value subject to surcharge of 10.00 GBP
 Rest of the world charged at cost of volumetric service provided
 Customer is responsible for local taxes, duties and clearance charges
